Limited Company Accounts

If you have prepared your accounts, why pay more than you have to?

For Limited companies that can provide information electronically. Usually by Excel, Sage, QuickBooks, MYOB, TAS etc.

Simply email a backup of your data with copies of bank statements and a set of the previous year's accounts.

We will take your data, check it thoroughly, and prepare a set of accounts within ten days.

When accounts are ready, we will email you a draft copy for your approval. Once you are happy we will ask for payment.

Once we receive your approval and payment, we will email you a copy of abbreviated and full accounts. We submit the CT600 to HMRC electronically.

Simple, neat and effective. This is a well proven efficient and cost effective way of doing business. We will handle your queries by telephone or email.
